

Childcare Center Policies

To protect your children and ensure everyone's enjoyment, we have established the following policies. Please familiarize yourself with them before arriving.

1. Children must be signed in, and out, of the center on a daily record sheet. Only the person who signs a child in, is allowed to sign the child out. The only exception is when a parent or guardian has authorized in advance another guardian for pick-up.
2. Reservations will be held up to 30 minutes after the reservation time. After 30 minutes, you may lose your reservation if other members are waiting for space, and a no-show fee may be assessed.
3. Parents MUST remain on Decathlon Club premises at all times when using the Childcare Center. If you are needed, or if your child is crying for more than **10** minutes, a caregiver will notify you to help calm him/her, or if necessary, to take your child out of childcare.
4. We reserve the right to refuse service to any child because of sickness, disruptive behavior or delinquency on the member's Club account.
5. For each visit, please bring diapers, wipes, a change of clothing and snacks (finger foods only) with your child. The center does not provide any of these items.
6. Label all of your belongings.
7. Snacks will be handed out every 2 hours. Please bring snacks for your child or feed your child before he/she comes into the center. Beware of snacks that are choking hazards to children, such as grapes, nuts, hard candy and hot dogs. Finger foods only. Our staff will do their best to spoon or bottle feed your child at the center, but we cannot guarantee it. We recommend that you feed your child before he/she comes in.
8. We would appreciate babies to be bottle fed before they come to the center.
9. Babies must be checked in for their reservation time with clean diapers. Our childcare staff is not responsible for changing diapers at check in.
10. Decathlon Club reserves the right to close the Childcare Center at any time due to a lack of reservations.
11. The Childcare Center is not responsible for lost or broken items, or for soiled clothing.

Thank you for your cooperation.
We look forward to serving your family.
